Mirror Dedication 2003

In September of 1999, when we first walked into the freshman house office, most of us felt nervous, excited, and apprehensive of what to expect on our first day at Waltham High School. However, all of our nerves were calmed by the warm smile of our secretary, Mrs. Smith. Over the next four years we have come to konw her as much more than just our secretary. She is a dependable person who makes sure she is always there for us when we need her.

Between answering phone calls all day long and run ning errands for Mr. DeMeo and Mrs. Neville, she has always left time to help classmates and officers with our proms and other important events we've come across throughout our high school years. Coming back our senior year without Mr. DemMeo as our house master was devastationg enough and the loss became even greater when we heard the news of Mrs. Smith's retirement. Although she has retired, and been replaceed by Mrs. Bourque, whom we've all enjoyed this year, things have not quite felt the same. We wanted to express how much we cared for her by having a special good-bye party. However, she chose to go quietly and now we understand why. Her last day was a hard one for all of us.

With senior year looked upon as one of the most memorable years of high school, we wondered how this year would turn out without the two most important people who guided us the past three years. It was difficult to walk by the house office without seeing her sitting there. Fortunately for us, because of her love and dedication to our class, she has made tremendous efforts to make sure all our senior events are special. Her surprise visits were welcomed by everyone. Her presence has oftentimes caused havoc in the house office from students wanting to stop by to say hello. Mrs. Smith has helped to shape our entire class from timid freshman to mature young adults.

Mrs. Smith has been like a mother, confidant, and best friend to many of the students of the Class of 2003. She will always be remembered fondly when we look back on our high school days. We expect to see her smiling face at our fifth reunion in 2008. We wish her nothing but health and happiness in her retirement.

Mirror Dedication 2003

Often times, the road to success is not always a direct one. It is easy to lose sight of our goals, or lose faith in ourselves when times get difficult. There have been instancces in each of our lives where we've wanted to give up, but we didn't. We refuse to give up, because there were people out there who refused to let us. They never lost faith in us, and tried endlessly to show the importance of learning, and the value of diligence.

Every now and then a person comes along who touches your life in a way no other can emulate. When you reflect back on the years, and realize you are a better person because you've had the opportunity to konw someone so special; someone so rare, you understand that person deserves the utmost recognition. This is why the class of 2003 would like to dedicate our yearbook to Mr. Thomas Leverone.

Mr. Leverone graduated from Arlington High School in 1964 and went on to become a math major at Boston College. Graduating in 1968, he quickly began his teaching career in Waltham High School. Thankfully for us, Waltham High is where he continued, and concluded all of his magic as a teacher. Mr. Leverone is a man who practiced what he preached and he constantly pushed us and himself to stive for personal achievements and higher goals. He received his Master's Degree of Arts and Sciences from Boston College in May of 1975, and went on to take additional courses at Fitchburg State College unil 1993.

His desire to teach was inspriing; and his personality: magnetic. Mr. Leveryone reached out to his students with his humor and friendliness, and his concern for each individual showed through in a way few others could display. His endless efforts to be as much of a friend as a teacher, amde him very approachable. His optimism, courage, and perserverance are a few of the exceptional traits that leave both his teaching ability and content of character unrivaled. After thirty-one years of teaching at "happy high", this humble math man earned himself a handsome fan club of students and co-workers alike.

For all the minds he has taught, and the lives he has touched, we would like to present Mr. Thomas Leverone with the 2003 Mirror Dedication.

FOOTBALL

The 2002 Football season marked the 100th year of Waltham Football. Coming into the season, Coach Keohane needed only seven wins to achieve 100 wins in his head-coaching career. It looked hopeful when we won our opening game against Arlington 14-0. It took a bad turn when we only won one game out of the next four games, with losse to Xaverian, Peabody, and Superbowl Champions, Everett. Since we had a record of 2-3 halfway through the season, achieving 100 wins for Coach Keohane did not seem possible to many people. But, the team never gave up hope. We won our next three games. Our game against Somerville, the team that beat us at home last year, would be a touch one. Although they had a star-running back, our defense did not allow them to score except for one touchdown in the first quarter. This Somerville victory put Coach Keohane at 99 wins. He only needed one win and there was one game remaining against archrival Brockton on Thangksgiving Day. Although it was cold, and the team had to shovel the snow off Leary field from the storm the day before, the victory was still incredibly meaningful. Not only would this game be Coach Keohane's 100th win, but also Coach Tucker Toranto's last game. With these goals in mind, the team pounded the playoff bound Brockton, also setting the record of the only Waltham team had beaten Brockton four years in a row. The season could not have ended any better. We thank the coaching staff, trainers, and underclassmen for their help and support. Good luck to next year's team!

CHEERLEADING

Over the past four years, we have gone from coach to coach never really feeling like a true team. Finally our senior year, everything has come together. With the help of Head Coach Randi Dalicandro, we worked our hardest and accomplished many goals. Although we may have had our obstacles, by the end of the seaon, the team was truly confident. We would like to thank all of our parents and fans for supporting us throughout the year. From our time at summer camp to our last Thanksgiving Day half-time performance, the 2002 season will be one to remember. Good Luck to next year's squad!

Co-Captains
Ashley Tuttle, Jessica Lett, and Kristen Douglas

CROSS-COUNTRY

The cross-country team's 2002 season was a time of adjustments and progress. Although the varsity team did not win many meets, they showed great dedication by practicing very hard each week and many achieved their individual goals. Sean Murray, Ryan Hache, and Dan McGonigle showed strong leadership throughout the season. By the end of the year, the girls' hard work and effort resulted in two wins and the boys earned a victory in a tri-meet against Everett and Malden for the first time in over forty meets. All in all, the 2002 team had a lot of fun despite the losses and hopes to come back stronger next year.

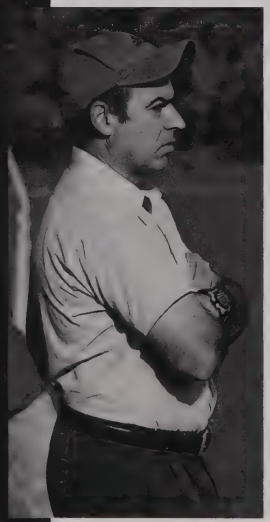
GIRL'S SOCCER

Our very successful season this year can be attributed to the amazing chemistry of the twenty-five girls on this special team who displayed great teamwork and consistently played with heart and intensity. The eleven seniors; Tricia Auld, Renee Boudreau, Katherine Caporiccio, Nicole Cincotta, Alicia DiDuca, Meaghan Donlon, Jennifer Fratto, Beth Karakashian, Jennifer Kerns, Alison Smizer and Lisa Stanton were extraordinary role models and demonstrated outstanding leadership skills. As a result of our team's exceptional efforts, we were able to accomplish great feats on the field and achieve many goals. We ended the season with a strong record of 14-4-1 and the Greater Boston League title for the first time since 1995. "We're GBL champs. We do what we want."

Captains Tricia Auld and Jennifer Fratto

BOY'S SOCCER

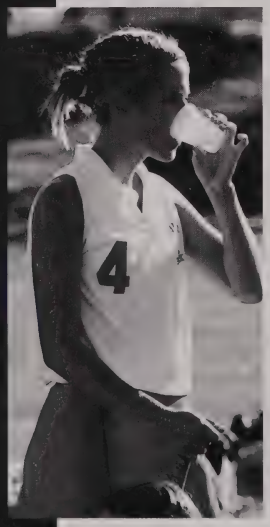
The varsity boy's soccer team had a great season despite a losing record and some obstaclezs along the way. Coach Marini led the talented team with the help of senior captains Vnnie Cirino, Dan Iannetta, and John Vieira. Sickness and injuries on top of other problems hurt the team deeply from the start. So acting as true athletes, the players worked harder and forged ahead instead of letting the problems defeat them. Jimmy Douangchith had a breakout year on defense for which he rightfully earned the co-MVP, sharing with Captain Vinnie. Jimmy and Vinnie were also selected as Tribune All-Stars, along with Captains Dan and John as honorable mentions. Chris Whittier was another huge impact player during the season. Although his hard fought efforts and great talent may have seem to go unrecognized by awards, he was feared by opponents and looked up to by teammates. Corey MacDougall also emerged as a top player through his excellence on defense. Paul Kassabian also made many important contributions to the team not just wil his skills, but his positive attitude. Starting off the year in net, Derek Vallerand, stepped in as a first year starter while appearing to be a four-year veteran. Joey LaFuaci replaced him in net after Derek got an injury and moved onto the field. Jon Borras, Jeff Cedrone, and Leo Zuniga were also an important asset to the team. Derek Crandell, although only playing his senior year developed into a great player. This year's seniors were a talented group that will be missed along with their retiring coach. The skills and speed of these talented players may escape them with age, but their experiences and memories will last a lifetime.



FIELD HOCKEY

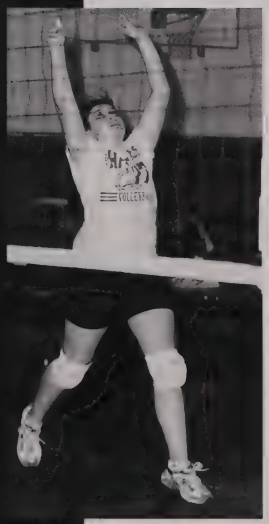
The Waltham High Lady Hawks Field Hockey team has clinched the GBL title for the 6th straight year. We were undefeated (11-0) in the league and even managed to shut them out. We had an amazing group of seniors this year, all of them having a strong impact on the team. The team was led by senior co-captains, Liz Centofanti and Michelle Sorrentino. Our impressive defense consisted of seniors Christy, Siobhan, Nicole, Erin, Maggie, Dani, and April. Their aggressiveness and determination kept the opposing teams scores to a minimum, helping All-American goalie, Liz Centofanti. Our unstoppable offense of seniors were Alison, Colleen, and Michelle. The leading scorers Colleen and Sorrentinohelped lead the team to victory. The Lady Hawks managed to pull off a win in the first round of the tournament, beating Wayland, but then lost to Gloucester in the second round. Overall the season was very successful, finishing 12-2-1. Coach Nugent set high standards for us all and we were able to not only satisfy them, but go beyond these expectations. "Strike first, Strike Hard, No Mercy Sir!"

Co-Captains
Liz Centofanti and Michelle Sorrentino



GIRL'S VOLLEYBALL

The 2002 girls volleyball team lived up to its potential during an amazing season. Although we were initially underestimated, we proved that we were a very talented team by placing second in the Greater Boston League with a final record of 13-7. The two captains, senior Kelly Grimes and junior Lynne Gillis, along with seniors Carine Cesar, Cynthia Chou, and Deepa Patel provided exceptional leadership. Our success was also due to our powerful hitters who blocked every ball they could, our middle hitters who supplied some power tips and hits, our amazing setters who hustled to every ball, and our diggers who made great plays. We fought like a team, played like a team and won like a team. The season ended with three team members nominated as All-Stars; Kelly Grimes, Carine Cesar, and Ashley Powers as well as two team members who were honorable mention All-Stars; Cynthia Chou and Deepa Patel. Throughout the season we kept the intensity alive, played with heart and never gave up on the ball.
Captain Kelly Grimes



GOLF

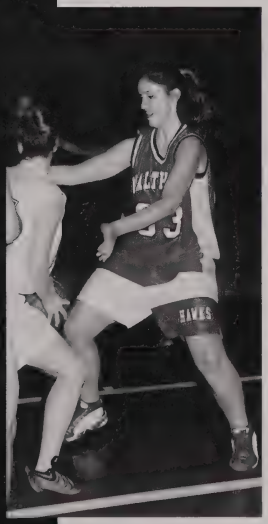
This fall was an overall success for the golf team. We worked hard and proved that we had the determination and skill to compete on a high level. Everyone persevered in spite of the graduation loss of six starters as well as the loss of our home course at the Weston Country Club. All fifteen team members displayed great sportsmanship toward their opponents and, more importantly, showed respect for each other. The season ended on a high note with some players competing in the State semi-final tournament.

Captains Kathleen Cummings and Eric Saia

GIRL'S BASKETBALL

The Girl's basketball team had a vary successful season with a record of 12-9. We were a very close group of girls led by seniors Tricia Auld, Liz Centofanti, Jen Fratto, Nicole McMahon, and Maggie Smerlas. Despite a few tough losses at the beginning of the season, we worked hard and came through at the end with key wins against Somerville, Malden, Needham, and Newton South. We finished fourth in this year's very competitive Greater Boston League and once again made the tournament. Overall, the season was very enjoyable and will always be remembered.

Captain Jen Fratto



BOY'S BASKETBALL

Before the 2002-2003 season began, the team's outlook was in question. Losing 4 out of the 5 starters from last year's team, the chance of making the state tournament were slim. Many of the coaches in the GBL underrated our team. Waltham was led by senior captains, Damian Shakespeare and Phil Chanlatte. Other seniors Mark Mitchell, Joe Morpeau, Matt Piantedosi, Moses Brisson, Mike Thomas, and Tyrelle Robinson contributed to the leadership this year. The season opener vs. Arlington was an amzing win and made the other coaches in the GBL realize that Waltham could not be taken lightly. The team peaked mid-season at 8-1 and was ranked 11th in the league. Due to injuries in the second half of the season, the Hawks went on a short losing streak and ended with a final record of 15-8. All of the games played were incredibly close provintg the Waltham Hawks to be a competitive and successful team. Good Luck to next year's team.

CHEERLEADING

GIRL'S HOCKEY

This winter was the inaugural season for the Waltham High Girl's Varsity Ice Hockey Program. The team consisted of only four seniors: Kengi Colindres, Lauren Dragone, Ashlee LaRoche, and Kathleen Cummings, as well as a large number of underclassmen. Although the players had a wide range of experience, everyone came together and played as a t3eam. Led by Head Coach Carol McCaffrey and Assistant Coach Paul Centofanti, we practiced hard and proved we could compete. Although our only win was against Mount Saint Joseph, the season was filled with memorable moments and was a great learning experience for everyone.

Captain Kathleen Cummings

BOY'S HOCKEY

The critics believed that the Waltham High School Hockey Team would not be able to defend their State Title. However, their opinions changed when the team had a 5-0-1 record at the beginning of the season and were victorious in the "Irish-American Christmas Tournament". During the season, senior Mike Aiello led the team with thirty points. Seniors Tony Drago, Ryan Foley, and Derek Gauvin also had a breakout year. Back on the blue line, seniors Chris Graceffa and Mark Beauchesne, as well as sophomores, Brian Warner and Shawn Keefe shut down some of the best forwards in the state. Ryan Mula also exceeded expectations in goal. The team ended their regular season with a 14-5-2 record, but their post-season was disappointing with an overtime loss to St. John's Prep in the Division 1 North Quarterfinal. Yet, in the end, Waltham once again proved to be one of the best public school hockey teams in the state.

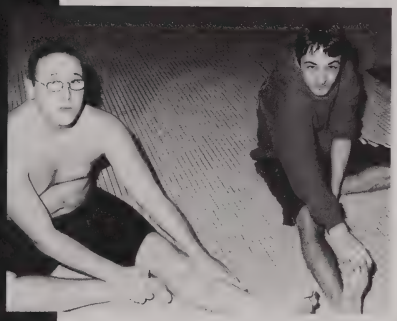
SWIM TEAM

The WHS co-ed swimming and diving team enjoyed an unforgettable season (5-3) despite its rebuilding status and predominatly fermale roster. Led by seniors Alison Smizer and Brenda Albanese, the team saw improvements throughout the season, with a record that earned them fourth place in the Greater Boston League.

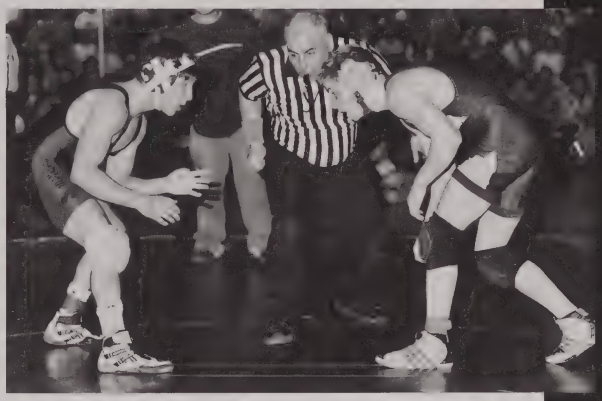
This year's addition of thirteen new swimmers, including five freshmen, was a pleasant yet unexpected surprise, while Waltham's veteran team members proved to be the team's core of strenth. On the boys' side, seniors Roger Finnell, Jon Borras, and Corey MacDougall captured key points in every meet. On the Girls' sidce, Albanese worked hard toward improvement and often saw positive results. Smizer worked hard to be the top girl in the league in both the 200 and the 500 freestyle. The Girl's team won it all at the GBL meet and the boys placed fourth overall. Six girls continued to the Northern sectionals, and four advanced to compete at States.

The coaching staff of Mike Gavin, Frank Jones, and Brian Murphy constantly provided the support and enthusiasm that the team needed. The seniors would like to thank the entire team for making it a memorable season. Good luck next year!
Captain Alison Smizer



WRESTLING

The Waltham High wrestlers had many achievements this year finishing 2nd in the Division 1 South Sectionals, 7th in the Division 1 States and beating long-time rival Wayland for the first time since 1984. Mike Arone and Jim MacDonald both broke records: Mike having the most wins at 157 and Jim getting 100 career wins. Senior Dan Giovanazzo had a strong season as well. The hawks had six sectional finalists: Matt Chiem, Mike Arone, and Raff Bibbo all captured the sectional crown, while Mike Robichaud, Jim MacDonald, and Rob Richard finished in a close second. Senior captains Arone and MacDonald, along with senior Bibbo, led the way for the hawks into the state tournament. Arone received the Division 1 State Title at 125 lbs. MacDonald also earned a 4th place finish at 145 lbs, and Bibbo earned 5th place at 130 lbs. He continued on to New Englands, where he brought Waltham its first New England champion since 1994. All in all, Coach Carl Cincotta and assistant Matt Wassel were pleased with the Hawks 12-5-2 record and are continuing to build a stronger program each year.
Captain Mike Arone



INDOOR TRACK

SKI TEAM

The 2002-2003 Waltham Alpine Ski Team had an incredibly strong season this year. Not only did we have the most snow ever, but the size of the team also surpassed all previous records. There were a total of thirty-one members, enough for a full-time varsity and junior varsity squad. The team was led by Captains Brian Navin and Katherine Caporiccio. The girl's team not only won the Mass Bay East Ski League Title for the sixth consecutive year, but also qualified for the state competition at Berkshire East. The boy's team also had a very respectable season finishing strong with much hope for the future. Both Katie Connors and Ryan Scanlon finished first overall in the league. This year's seniors: Matt Scholl, Matt Burns, Damien Browne, Tim McMullin, Katie Connors, and Katherine Caporiccio will be missed greatly. However, next year's team schould still remain very competitive. Good Luck!
